FIVE KEY ISSUES & NEEDS

I don't know about you, but the past four months since my arrival have flown by! As a pastor, arriving in a new congregation is typically always a time of change and transition, and this was certainly no exception. There are people and customs and traditions and a whole new community to become acquainted with. Of course, I had a little bit of an advantage coming back home to the community where I grew up, as well as having the chance to renew friendships and relationships with people – both inside and outside the congregation – who knew me back when.

But as I noted back in June, during my call sermon, there is nevertheless a big difference between 1967 and 2017; between when Hope was first founded and today. Some things are still the same, for sure. (And some of the people are still around, as I have discovered.) But so much has changed. And with that change comes the challenge of responding to a brand new reality; even in the church. The original organizational model and ministry strategy for Hope – and for Grace Lutheran Church as well – as effective as they may have once been, back in the day, will no longer be effective. It's a new day and that necessitates a new way of doing ministry. And that's perhaps the biggest challenge facing us right now.

In my first report to the Council, however, I further identified what I would call “5 Key Issues and Needs” facing us at this time. I'd like to briefly summarize them here for you as well.

1. **STAFFING:** Besides calling a new pastor, Hope has also seen the retirement of its longtime Office Administrator, and also the departure of the Minister of Music. Besides Cheryl Hurd replacing Wanda, we also have two other relatively new staff members: Stephanie Siino (Bookkeeper) and Kathryn Johnson (Communications Director). Getting us all up to speed and forging an effective team will take some time. And also some patience. But I am very pleased with how things are progressing at this point. As you may have heard, we are also now looking for a new Minister of Music as well, since our first choice unfortunately did not work out. So our music ministry is definitely still in a time of transition which, hopefully will not last too long.
2. **SYMMETRY:** This word refers to “balanced proportions.” The ongoing process of blending the needs of the preschool with those of the church, and of bringing together various groups within the congregation, especially integrating our newer members with longtime members will also take time. And also some intentionality as well. In other words, we have to work at these things. But achieving a sense of unity and common purpose is an important step and goal. Notice, however, that I'm referring here to *unity*, not *uniformity*. The balance implied by the word “symmetry” does not mean that these various communities and constituencies within the congregation (preschool, longtime members, newer members, etc.) will cease to exist. Not at all. What it simply means is that they will each make a commitment to trust and respect each other, and then find effective ways to work together for the good of the congregation's mission and ministry.

3. STEWARDSHIP: We are blessed that finances are currently not an issue for the congregation because of the phenomenal growth and success of Hope Christian School under the direction of Judy Canfield. But financial support from the members themselves, not to mention the offering of time and talents, is also crucial to our congregation's sustained effectiveness in the name of Christ. In other words, we all have a part to play. We all have something to give and to offer.
4. SPACE: There is certainly a lot going on at Hope, each and every day! I am continually amazed that we, somehow, find a way to fit everyone in and make it all work. Nevertheless, addressing our ongoing and growing need for sheer space is clearly a challenge. The good news is that we are an active and vibrant congregation. The constant challenge, however, is finding a way to make room for all of these worthwhile efforts and commitments, especially as we move forward.
5. STRATEGY: Finally, where are we going as a congregation? What are our priorities? What is, or should be, our unique focus? Going back to my original point, discerning God's will for Hope in the coming year and beyond, is one of the most critical challenges and opportunities before us. But I have every confidence that we will figure it all out. Most of all, I trust that God will show us the way!

If these first four months as your pastor are any indication, the future of Hope Lutheran Church will be a bright and promising one. But we need to stay grounded in the gospel of Jesus Christ, and rooted in our calling to serve others in his name. Because, quite simply, that's who we are.

(This month's article is based on the report I shared at the congregational meeting on November 12.)

Women of Hope Giving Tree

It is the time of year when we think about all our blessings and how we can use them to serve God and help others. The Women of Hope's Giving Tree will again be on display in the narthex in the latter part of November as an opportunity for us to spread those blessings around.

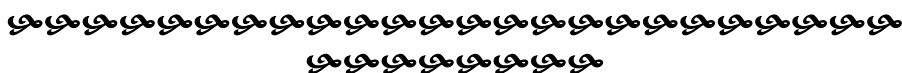

If you have not participated in this program before, it is very simple. Choose an ornament from the tree, and make a donation of the gift card(s) or monetary donation indicated on the ornament. The amount is up to you.

Gift cards go to less fortunate families in our community to help them celebrate the holidays and purchase basic needs. ELCA Lutheran Disaster Response Donations go to help victims of disasters in the U.S.,

If the ornament you choose is for a ShopRite gift card, you can purchase the card directly from the church office at face value. It's easy, and for each ShopRite gift card purchased, a donation is made, which goes to support Open Door food pantry and Lutheran Social Services!

Gift cards and donations should be returned (with their ornament) to the church office no later than Dec. 10th.

If you have any questions, you can contact Cindy at 732-780-5438. You have always been so generous through this program, and we thank you for opening your hearts and spreading Christ's love throughout the world!

We are still in NEED of Assisting Ministers for the following services:

Christmas Eve 4PM

If anyone is available and would like to volunteer we would very much appreciate your help. Please let Cheryl know which service you can do!! Thanks so much for your help through the year. Happy Thanksgiving to all!!

It is Hope Family Covenant Renewal Time!
This tradition began in 1970.

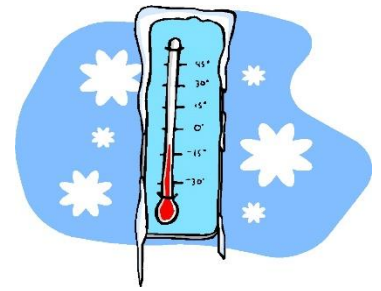

It is time for the people of Hope to review and renew the membership covenant we have with each other. It is our custom to do this every year so that our membership together in the Hope Lutheran Family might be vibrant. During Advent – ***First Sunday in Advent is December 3*** – the Covenant document will be at the altar. Renewal of membership takes place by your prayerful consideration of the principles of the agreement and the inscribing your signature to the document.

Having been called into a living loving relationship with God through Jesus Christ, we respond with a covenant in which we express our intent to: Actively participate in the worship service and programs of the church. Make diligent use of the Means of Grace – God's Word and Sacraments – Baptism and the Lord's Supper. Prayerfully consider giving a proportion of our substance to support the work of the congregation and The Evangelical Lutheran Church in America, live a Christian life in accord with God's Word, assume a ministry of Christ as dictated by our talents. This is our covenant with God and by the help of God.

As we journey through this holiday season, and look back on this past year, we have so much to be thankful for... **WHAT A YEAR IT HAS BEEN!**  
2017 will record some very historical events and transformations for Hope Lutheran Church... the beginning of a new era. Let's take a little stroll down memory lane.

*The year kicked off with the church council's decision to bring the position of Communication Director to your staff, a big THANK YOU from me, for that!*

*Collaborations between the NJ Synod and the church Call Committee initiated the exploration for our new pastor. After an extensive search and much prayer, the congregation of HOPE bid farewell to Interim Pastor George Detweiler and called The Rev. Dr. Edward E. Kropa to be its new leader.*

*We continued to join together under a common roof - **Anchored in Christ, Growing in Faith, Love and Service.** Groups, clubs and ministries gathered to serve one another and our community. After a year of diligent fundraising efforts, the HOPE Bosnia Travel Team lead by Senior High mentor Tara Zigler, loaded with supplies and prayers adventured to Bosnia and Germany ministering on a global level.*

*We said good bye to music minister Dean Poulsen, and just recently bid GOOD LUCK and Godspeed to long time congregant, staffer and friend Wanda Nebiolo... who stepped out from behind her desk and into retirement - opening the door for our new Office Administrator Cheryl Hurd. Welcome Cheryl!*

*We celebrated significant milestones in 2017. We observed the 500<sup>th</sup> Anniversary of Reformation, and throughout the year, the 50<sup>th</sup> Anniversary of our church and school. How excited we are with the continued growth and success of HCS. We have launched further into the digital age with a new website and active Facebook account and look forward to reaching you, the family of HOPE, and others in the community with our social media efforts.*

*A BIG THANK YOU to all the council members and church volunteers who work tirelessly to keep HOPE'S programs, events, and ministries alive. A few months back Bill Seifert said, "Our church is entering a new era right now. There is a lot of momentum around some very exciting things here and I am looking forward to a bright new future for Hope." Bill, I couldn't agree with you more!*

*This Christmas and everyday... I give thanks to God for my many blessings and delivery of his son, Jesus Christ. My HOPE, is that during this holiday and in the new year, your days are filled with love and laughter, family and friends, gratitude, God's GRACE, LOVE, and HOPE... and a tummy full of good eats!*

*Many Blessings, Merry Christmas and Happy New Year! - Kathryn*

*You are my family and I've had a wonderful tenure here at Hope as your Administrator. Have you read the book or seen the movie "**You Before Me**"? It's recommended. I've place you, my **Hope Family**, before me all these years, because you were there for me during a very rough time in my life 30 years ago.*

*Most of you know I was born in Montana in a small town nestled in the mountains and lived on a farm from the age of nine to sixteen. I have five younger brothers (on is in heaven) and they all live in Montana.*

*While growing up on the farm, I envisioned that "if I remained in Montana, I would marry a farmer and have thirteen children". That is why I left Montana to continue my education in Spokane, Washington. I came east and attended Trenton State, worked at McGuire/Fort Dix in the accounting department for many years, then Winkleman's Restaurant in Lakewood for five years before coming to Hope 30 years ago.*

*There is an old joke, “how many Lutheran does it take to change a light bulb?”*

**CHANGE?!?!?** *Over the 39 years of being a member, there have been so many changes. I was here to see the Fellowship Hall added and then as Administrator, the many renovations we have been through – I’m leaving before we do another renovation. The many changes we have had in pastors and many church council presidents and members. **CHANGE is what Hope does the BEST.***

*Looking over the parish records, I can say that I’ve been touched by nearly everyone listed in our “red book” and it warmed my heart to see my very close friend **Erika Bondo** come to my retirement party after all she has been through battling cancer. All of you my “family” you have a special place in my heart and I love you. **My son and his new bride, Tara and my grandchildren** were in attendance as well as **Angelo’s sisters and daughter, two couples from the German Club and former member** of Hope who moved to Delaware. You filled the hall for the “Ho Down” and so much fun was had by all. My Fred Astaire family had a prior engagement.*

*Now, instead of a “things to do” list, I’ll replace it with “Things I might do now or later”. My thanks to **Debbie Unger, Diane Kless, Judy Canfield, Janice Seifert, Suzy Coulter, John Bonanno, and Pastor Ed** for planning this wonderful event. The decorations and food were great. Thanks to all the **Council Members and Finance Committee**, who have continued to support the Church Administrator’s position all these years.*

*Love you, Wanda Nebiolo*
