

# HLC YOUTH GROUP

## GROWING IN FAITH, LOVE & SERVICE

### ABOUT HOPE'S YOUTH MINISTRY

The HLC Youth Group is a welcoming ministry at Hope for young people in grades 6–12 who are looking to deepen their faith and make a meaningful impact in the community we serve. We meet every Sunday at 10AM in between services for conversations, hands-on activities, and reflections that connect faith to everyday life.

In addition to our weekly gatherings, we host monthly social events to build friendships and have fun together. Youth can also participate in monthly service opportunities, like making sandwiches for St. Peter's Lunch Program, which allows us to put our faith into action. Whether you're drawn to music, worship, community service, media, or technology, there's a place for you to grow, serve, and shine.

Be sure to check the monthly calendar for any changes to our weekly schedule and to stay updated on upcoming social and volunteer events.

**All are welcome!**
